DEDICATION

Mr. Michael Turner

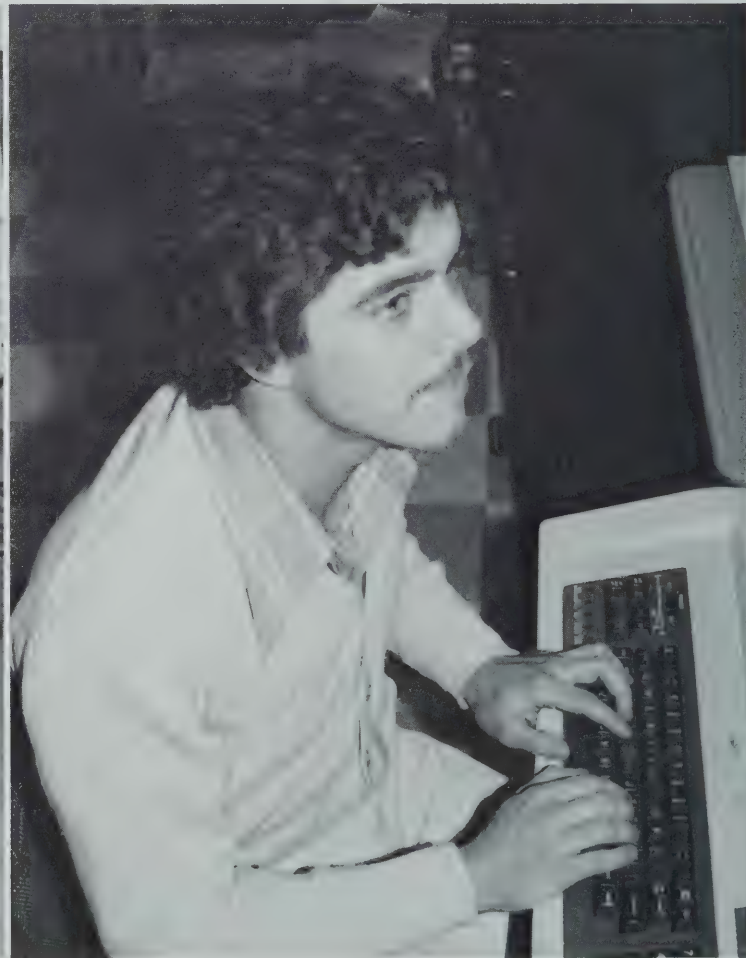

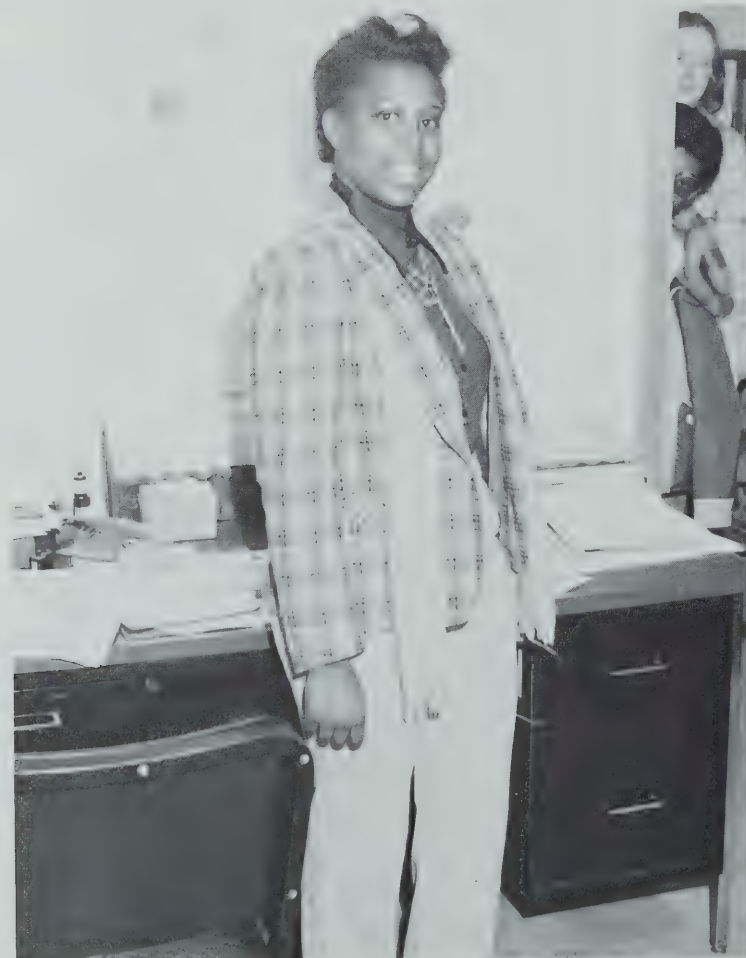

Michael Turner served as Headmaster of C.H.L.S. and C.R.L.S. from 1973 until 1978. During this time he sought to bring about many positive changes in our school. We appreciate the changes that Mr. Turner attempted to bring about, but realize that he lacked the needed encouragement, support, and cooperation of both the students and the staff. Even though we entered the school not knowing who Mr. Turner was, we soon found out. Mr. Turner could always be found in the corridors talking with and helping students. The graduating class of '79 had three prosperous and productive years with Mr. Turner and would like to thank him for his help, guidance, and leadership. We the Yearbook Staff and students of C.R.L.S. proudly dedicate our school yearbook to Mr. Mike Turner. We wish him the best in his future endeavors.

In Appreciation

Mr. James "Jim" Landrigan

James Landrigan entered C.H.L.S. as a freshman in September 1927. After graduation June 1931, he went on to college to pursue a career as a teacher. On January 7, 1947, he returned to C.H.L.S. to teach Latin and English to his first class of students. He continued teaching for 24 years and was appointed to the position of dean on September 1, 1971. His retirement comes too soon. He will be missed by the staff and students of C.R.L.S. We wish him the best in his travels and future endeavor.

The Class of '79'

HISTORY . . . CLASS OF '79

Freshman Year

We came together for the first time in September of 1975. Some of us will never forget getting off the bus and looking at how big this school was. But by the second week of school most of us knew our way around school (even though we used the excuse "that we got lost" if we were "unintentionally" late for class. Mr. William Lannon was also starting his first year as Superintendent of Schools and Senator Kennedy visited our school.

The Turkey Game was lost to the Rindge Warriors 8-0 and the Rockettes made their first appearance. Channel 4 followed the boys' basketball team throughout the season hoping to see them win . . . which they didn't. The Rindge team, however, became the Eastern Mass. Champions as well as Suburban League Champs. The girls' team was also number one. They came through the Season undefeated becoming North Sectional Champs as well as the Suburban League Champs. The girls also captured the Suburban League Crown in Softball. The Rindge Outdoor track team won the State Championship for the first time in thirty-four years. It was the last year for the GAA and the last year at school for Ms. Hyde. All in all we settled in quite nicely (much to the horror of all of the administration).

Sophomore Year

We were no longer known as being the "little Freshmen." Our Sophomore year began with some of the Rindge students and some of their faculty moving into the Latin building.

The field hockey team placed second in the Suburban League and made it to the States. The Girls Swimming team placed third in the league and the Volleyball team won the first State Tournament. We lost the Turkey game to Rindge 14-7 in what was to be the last game played between us. The Latin boys' basketball team finally ended their 44 game losing streak and the Rindge basketball team became number one in the Suburban League and made it all the way to the State finals. The girls' indoor track team also brought home a trophy for being number one in the Suburban League.

One of the most memorable events of the year was the day we all walked out of school because of the School Committee's decision to name the new high school "The Frederick H. Rindge Memorial High School." The School Committee finally agreed to reconsider their decision. The school year finally came to a close with most of us looking forward to our Junior year.

Junior Year

This year was a year of changes. Not only were we getting used to the idea of being upperclassmen, but we were also officially merged with Rindge under the name of "Cambridge Rindge and Latin School." The Rindge Technical School and Cambridge High and Latin no longer existed. We elected our Junior Class officers. Michelle Thibault became President, Wing Ng, Vice-President, Celia Figueredo, Treasurer, and Jackie Hill was our new Secretary. We also ordered our class rings.

The School teams were also merged. This was the first year we did not play against each other in the Thanksgiving Day game. Now we played together against a new rival, Don Bosco, at Harvard Stadium. We were defeated. The new boys' basketball team made it to the Suburban League Championship but lost in the first round. The girls' basketball team made it to the States again. The Swimming, Volleyball team, and the track teams did just as well as any other year.

The Senior Class put on a Wrong Show. We also had the first student-faculty Donkey Game. There was also a fashion show at Kresge Auditorium. We had the first annual Junior Class Ski Trip. We went to Mt. Tom for a day and many of us were on skis for the first time. After the Seniors graduated we realized we were next. A lot of us were looking forward to our Senior Year. Surprise!!! Surprise!!! Surprise!!!

Senior Year

Senior Year was here at last but it brought mixed feelings. We were looking forward to graduation and what was to come afterward but at the same time we were hesitant to leave our old friends. Many of us were faced with making important decisions regarding the future, such as what colleges we were to go to or what jobs we would have after graduation. Mr. Sarasin was appointed as the new headmaster which brought two walkouts. One walkout was over the loss of Mr. Turner and the other was the result of rules which many thought to be pretty foolish. Foolish because we felt that most of the people would not follow these rules and that those people who were innocent of breaking any rules in the first place were subjected to stricter rules. Mr. Sarasin had a meeting afterwards with some of the students in the walkout. Even though we were now heard we were not listened to. We elected our class officers. Wing Ng was our new President, Bobby Richards was our new Vice President, our new Secretary and Treasurer were Ms. Robin A. Harris and John Fountain respectively. Our Prom site was chosen. The memorable event was to be held at Lantana's in Randolph.

The girls' field hockey team was replaced by the girls' Soccer team led by Coach McCarthy. Two of CRLS's students were members of the successful production of the "Long Way Home." The show played before packed houses each night.

The boys and girls basketball teams had very successful seasons. Each team captured their respective league championships, and entered the state finals.

The boys team rated among the top teams in the country. This was due to the exploits of 6'11" center, Patrick Ewing, the Sophomore Sensation, and the combined talent of the rest of the team. The Ski Trip became a school supervised event and went off smoothly with a unique experience had by all. Some of us are still trying to remember what happened and some of us are still trying to forget. The prom was held at Lantana's on June 1. This proved to be a very exciting evening. This exciting Prom Weekend was climaxed by our graduation on June 4, 1979.

Our experiences have INDEED BEEN challenging in many ways. We have seen and endured many changes. In conclusion, we the members of the Yearbook Staff and the class of 1979 depart with this quote, "It's been **real**!!!

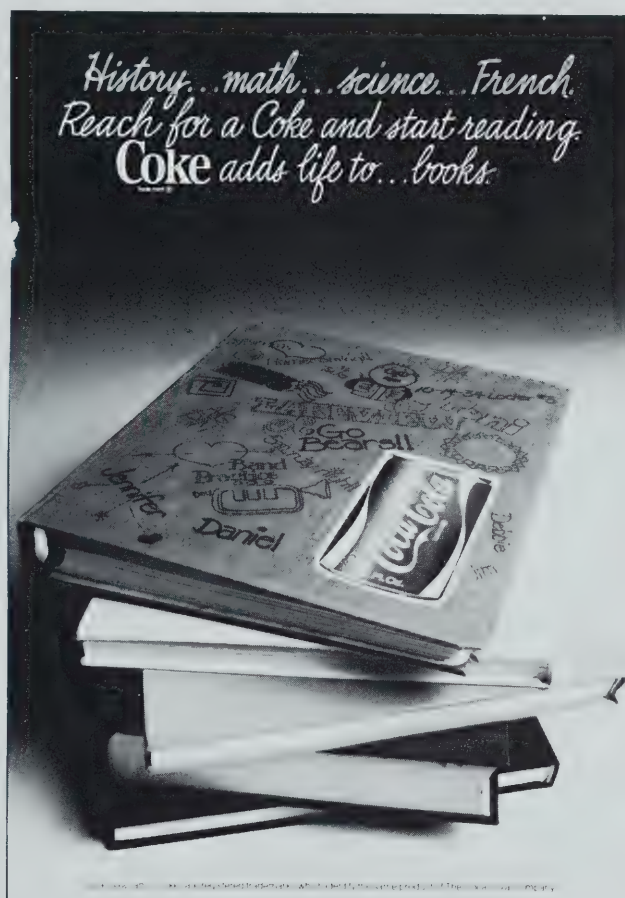

EPILOGUE

Goodbye.
I know no other
way to say it.
The windmills turn
and we turn too,
not with the wind
but slowly,
imperceptibly away.
There's a cold wind coming
blowing back the
memories of times
we loved so well.
Ponds and people
grow apart,
new needs push us in
new directions.
And we go on,
still we go on,
and we go on,
you can see us go on.

Farewell CRLS from
the Class of 1979.

Congratulations And Best Wishes To
